### **DETAILED ACTION**

This office action is a response to Applicant's remarks filed after Final on October 13, 2010. Claims 1, 5-7, and 22-25 are pending.

### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with T. Chyau Liang on October 27, 2010.

The application has been amended as follows:

In claim 1, step 6, lines 4-5, replace "benzyl, allyl, or diphenylmethyl group, wherein the benzyl, allyl, or diphenylmethyl group" with "benzyl or allyl group, wherein the benzyl or allyl group"

In claim 1, last line of step 7, replace "benzyl, allyl, or diphenylmethyl group" with "benzyl or allyl group"

The following is an examiner's statement of reasons for allowance: Applicant's arguments filed October 13, 2010 are persuasive. Upon further consideration, the art of record does not teach or fairly suggest protection under the conditions of pH 5-6. In view of Applicant's remarks and further review of the prior art with respect to benzyl and allyl protection, it is considered that the skilled artisan would conclude that Applicant had possession of the invention including allyl protection at pH 5-6 because benzyl and allyl groups have similar reactivities and would be expected to react in much the same way.

Claims 1, 5-7, and 22-25 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to LAYLA BLAND whose telephone number is (571)272-9572. The examiner can normally be reached on Monday - Friday, 7:00 - 3:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Anna Jiang can be reached on (571) 272-0627. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
